*****WARNING*****

THIS FEED SUPPLEMENT SHOULD BE USED ONLY IN ACCORDANCE WITH DIRECTION FURNISHED ON THIS LABEL. THIS PRODUCT CONTAINS SUPPLEMENTAL SELENIUM (SE). INTAKE OF SUPPLEMENTAL SELENIUM SHOULD NOT EXCEED 0.3 PPM ON A DRY MATTER BASES.

Feeding Directions

1. Feed to ruminants only.
2. On controlled feeding, do not exceed two pounds per head per day or raise the protein equivalent of the total ration to over 13.00%.
3. Watch consumption on free choice. If cattle consume more than three (3) pounds per day, then feed a controlled amount of not more than two (2) pounds per head per day.
4. For free choice feeding, the following precautions must be observed:
 - A. Unlimited drinking water.
 - B. Unlimited roughage must be available free choice. Overgrazed pastures are not adequate.
 - C. Grain may be fed as desired.
 - D. Provide unlimited amounts of the following separately free choice: Salt (loose or block), ground limestone and /or an adequate mineral supplement.
5. Feed free choice in covered lick tanks with lick wheel assemblies. Damaged tanks, broken or open tops must be repaired or replaced before cattle are allowed access.
